MEMORANDUM TO: L/C Gordon

SUBJECT: Periodic Maintenance of Aircraft

1. Request necessary action be taken to place responsibility for the periodic maintenance of the following listed aircraft upon Norton Air Force Base:

L-20 Aircraft No. 51-16517  
C-47 Aircraft No. 42-100635

2. It should be indicated that these aircraft are assigned within the SBAMA area of maintenance responsibility. Aircraft should be maintained on a 1-4 priority with no overtime authorized.

3. Arrangements for the delivery of these aircraft to the Depot for maintenance will be made by [Redacted] of [Redacted] directly with the Production Control Officer, Maintenance Division SBAMA. When the aircraft are ready for delivery, the Production Control Section, SBAMA, should notify [Redacted] at [Redacted] (Telephone [Redacted] extension [Redacted]) in order that delivery might be effected.

4. In addition, arrangements should be made with SBAMA to perform periodic inspection of the above listed L-20 which will arrive at the Depot between 21-23 February 1956.

5. As soon as the above arrangements have been made for the continuing maintenance of these aircraft appropriate personnel will be notified within this organization in order that scheduling may be effected with SBAMA. Future scheduling will be arranged at least two (2) weeks prior to anticipated delivery of the aircraft to the Depot.
